

## Air Whiteboard

A tasteful and elegant writing board with no frame at all. With its bevelled edges and concealed mountings, the board appears to float. The board's depth from the wall is 16mm. Our ceramic steel boards are of the very highest quality and come with a 30-year warranty on the writing surface. The steel sheet core is made from a minimum of 50% recycled material and the boards are up to 99% recyclable and e3 certified.
